OLD BUSINESS

- Reminder: Hero Hogs Run Saturday, August 24th. Please plan to volunteer, ride, or attend the afterparty. Fat Fanny's Too still seeking donations of raffle baskets or monetary support.

UNFINISHED BUSINESS

- Continued review and adoption of advertised Noise, Nuisance House, and/or Burning Ordinances with solicitor review.
- Formal request for PennDOT to install "No Littering" Signs along the northern lane of S.R. 18. (Athena will draft and send the formal letter if council supports this action.)
- Beaver County Job Training Update: due to clearances taking longer to come back than expected, we were not able to initiate the hiring of student workers. We could still hire them for the fall season, but their availability may be restricted to hours outside of when their supervisor is available due to school.

NEW BUSINESS

- New Galilee contract policing proposal.
- Motion to contract Zelic's for camera review of the storm sewer system along First Avenue and Garden Alley for DGLVR Grant planning if needed by EADS.
- Review and motion to accept bid proposal from Recreation Resource for swing set purchase, site prep (including drainage), installation, borders, and wood carpet.
- Lindy's Paving has committed to donate \$5,000 towards the construction of Koppel Park. Armstrong was sent a letter requesting all or any portion of the costs associated with the swing set. Other business donations may be forthcoming.

- EADS currently retooling our DCED Greenways Trail Grant Application to remove the budgeted pavilion and swing set installation. This lowers the grant request approximately \$90,000.
- Signs By Sam signage mock-up and estimated cost to be reviewed.
- New outdoor bathroom installed or in the process of being installed.
- Executive Session to discuss litigation regarding a nuisance property.
