- Sam Piccinini, Koppel Police officer, has been in law enforcement for 30 years. He is also on council in Rochester and introduced Keith Jackson, Mayor of Rochester. Since time is extremely important to provide security detail for Tenaris, he stated the reason for his attending is to explain to council that he/Rochester police have worked with many businesses to cover their security needs. There is no need to reinvent the wheel and he feels a contract could be drawn up in just a few days. He explained many ways to determine the rate and various ways to write up the contract. The Mayor will reach out to Tenaris and set up a meeting to understand their requirements. Council made it clear that coverage in town is primary and any additional coverage after that can be given to Tenaris. Everyone agreed on wanting to do whatever they can to help Tenaris.

**GENERAL DISCUSSION**

- Sandy Campbell won the Christmas decorating contest and donated the \$100 gift card back to the Fire Dept.
